

STATEMENT OF JAMES E. BERRY
CANDIDATE FOR MEMBER OF THE CITY COUNCIL
(Unexpired term ending April 14, 2020)
ROSEMEAD CITY SPECIAL MUNICIPAL ELECTION

Age: 48

Occupation: Commissioner, Restaurant Manager

It is an honor to be nominated as a candidate for Rosemead City Council by residents like you.

My history of public service to our city demonstrates my commitment to championing smart economic choices, protecting your health and safety, and fostering a thriving community.

As Traffic Commissioner, I listen carefully to your concerns and look for ways to address them that would positively contribute to your area while being fiscally responsible.

As a member of Rosemead's Community Emergency Response Team and outreach volunteer for Area Watch meetings, I help connect you to our Public Safety department and sheriffs to promote emergency preparedness and personal safety.

I also proudly served on the Rosemead Beautification Committee, helping to launch our annual Civic Pride Day event. This is a day of service where all residents are encouraged to come together to beautify parts of our city, such as our historic Savannah Memorial Cemetery and Sanchez Elementary School.

Restaurant management has taught me to balance budgets and resources, emphasize safety, and forge teamwork. These are the same skills and values I hope to contribute as your council member.

Please vote this November.
