

STATEMENT OF SEAN DANG
CANDIDATE FOR MEMBER OF THE CITY COUNCIL
(Unexpired term ending April 14, 2020)
ROSEMEAD CITY SPECIAL MUNICIPAL ELECTION

Age: 44

Occupation: Rosemead Commissioner/Engineer

As a longtime resident with my wife and two children, I want to ensure Rosemead is a pleasant and safe place to live for all residents. I support beautiful parks, public safety, traffic mitigation, and anything that will improve the quality of life.

I serve as a Rosemead Planning Commissioner and my decisions always account for protecting our neighborhood and minimizing traffic. I also volunteered for the Rosemead Civic Pride Day in which I worked among others to beautify the Savannah Cemetery and the Sanchez Elementary School. I am proud to have participated in a great event in which the neighborhood worked together to improve our city.

As our city grows, expenditures can quickly offset a balanced city budget. I believe developments will benefit the community by encouraging economic growth. As a licensed civil engineer with more than 20 years of experience, I understand development. I have permitted iconic venues including the LA County Museum of Arts campus, the LA Broad Museum, and the Dodger Stadium additions. Rosemead has tremendous potential for the economic growth needed to improve the quality of life.

I ask for your vote so that TOGETHER WE CAN contribute to a better Rosemead. Your opinion matters to me. Contact me at (805) 651-3764 or Sean@SeandangforcityCouncil.com
