Once all documentation has been received, an application for a Livescan will be provided along with instructions on where to go for fingerprinting. Livescan applications are not provided until the application packet and fee of \$110.00 has been received.

Additional fees are collected at the location where the fingerprinting is performed. Please call the Agency listed on the Livescan application to set an appointment and to ask for the fee to be paid.

In the event that the Sheriff Investigator recommends denial of a Business License based on their investigation, a Business License will not be provided, the applicant will not be allowed to proceed with plans to open the subject business, and no fees paid will be refunded.
